Learning graph
Year 2 - Robot algorithms

To describe that a series of instructions is a sequence

To choose a series of words that can be enacted as a sequence

To explain what happens when we change the order of instructions

To choose a series of instructions that can be run as a program

To choose a series of instructions that can be run as a program

To recognise that you can predict the outcome of a program

To create a program

To trace a sequence to make a prediction

To run a program on a device

To create a program

To run a program on a device

To debug a program that I have written

To recall that a series of instructions can be issued before they are enacted
